In the early 1800's, the Armory Square district began to develop as the business and industrial area just west of the central city. Today it is the trendy hub of Syracuse with restaurants, pubs, boutique shops and personal services.

If you just plan to shop and attend the Dinosaur dinner you can take the bus down from the hotel, then [walk the few short blocks](#) to the restaurant. Or, let us know ahead of time and we'll have the bus pick you up in Armory Square and drop you at the door of Dinosaur.
